Join us for golf at the Preserve at Verdae

The 18 hole, par 72 championship golf course designed by Willard Byrd, is carved into a lush Carolina Forest with hills and mountain-like brooks, making The Preserve at Verdae very scenic. Ther course is situated on over 100 acres of green space in the heart of mid-town Greenville in Verdae Development, and located adjacent to the Embassy Suites Greenville Golf Resort and Conference Center. This is the only course in the upstate with Mini-Verde Bermuda greens. The Preserve at Verdae is committed to the environment. Their mission is 'Striving for Harmony Between Golf and Nature'. They have re-imagined our landscaping along the course and created naturalized areas reflecting native grasses and plants and reducing the amount of water, pesticides and fertilizers required. In addition they have created an environment attractive to the local wildlife. During your round you may encounter a rafter of turkeys or magnificent hawks soaring above the pine trees.
